Matching his and her vanity areas have a distinctive furniture look with the rich cherry and olive ash insert and elegant cabriole leg detail as well as functional features such as two tall linen cabinets, a medicine storage area and convenient hidden outlets for appliances.

At the entrance of the master bath suite, the tub area is straight ahead with matching vanities on each side. The shower is to the left of the whirlpool tub, and the water closet is on the right. A mosaic tile medallion accents the tub area.

Looking towards the master bedroom, there is a dressing area with tri-view, full-length mirrors to the right of the chandelier and a coordinating dressing table to the left.
